## PREMIUM FEATURES

YES LED corn lamp replaces 70-400W HID - Metal Halide Bulbs. This lamp is not suitable for use in totally enclosed fixtures. Its high lumen output and exceptional efficacy make it an ideal choice for certain vented outdoor post top applications. The special designed heat sink system allows air to flow freely through the lamp. It uses an increased cooling surface area to reduce the operating temperature of the LED and power supply, thus resulting in longer lamp life and lumen maintenance.

- 70W – 400W Conventional Bulb Replacement
- E39 Base Replacement
- Fully Omni-Directional
- Ballast compatible
- Ventilated Lamp Design
- Designed for Certain Post Top Applications
- UL - DLC Listed
- Five Year Limited Warranty

| Ordering Code       | Watt (W) | Lumens | Base ** | CRI | Color Temp. | Rated Average life | MOD (in.) | MOL (in.) | DLC LISTED Y/N |
|---------------------|----------|--------|---------|-----|-------------|--------------------|-----------|-----------|----------------|
| YCLS-30W-E39 5000K  | 30       | 4000   | E39     | 82  | 5000K       | 50.000             | 3.78      | 7.87      | Y              |
| YCLS-60W-E39 5000K  | 60       | 7200   | E39     | 82  | 5000K       | 50.000             | 3.78      | 9.72      | Y              |
| YCLS-90W-E39 5000K  | 90       | 13600  | E39     | 82  | 5000K       | 50.000             | 3.78      | 10.35     | Y              |
| YCLS-120W-E39 5000K | 120      | 18600  | E39     | 82  | 5000K       | 50.000             | 4.84      | 10.83     | Y              |

**Note:** YES LED corn lamp replaces 70-400W HID - Metal Halide Bulbs. This lamp is not suitable for use in totally enclosed fixtures. Its high lumen output and exceptional efficacy make it an ideal choice for certain vented outdoor post top applications. Specially designed to be ballast compatible with an enhanced heat sink design.
